Dear Ms. Wilkie,

Good day. I am writing to thank you for the Etiquette Class you and your club were able to provide to our 5<sup>th</sup> grade classes this year. The children, teachers, and support staff returned so excited. I've even had parents call to thank us and ask how and when siblings can attend!

The children were able to experience so much in a short time: learning table manners, dancing and tying ties! These are invaluable lessons that I wish all of our students could be taught! As you know we are a Title 1 school, and I'm sure many of our students and families have not had the opportunity to be exposed to a country club setting like this.

One of our teachers was pleasantly surprised that a student who has been difficult all year was observed pulling out a chair for a young lady! I know that the "etiquette" they learned will not be forgotten. These children returned all dressed up and sporting their new ties that they actually tied! AMAZING!

It truly warms my heart to have seen these young people who are now about to embark in their next journey off to middle school return from this class feeling confident and positive about themselves. You have gone above and beyond for our school--even securing a second bus for us. Thank you so much Prestige Club and Ms. Wilkie. I look forward to sending the 5th graders in the 2017-2018 school year.

Sincerely,
